Dr. Wolff,

Attached is the current draft on the issue we discussed - Please hold this very close. There may be some additional changes forthcoming, but we should be still on for an announcement a week from today. If you're still willing to provide a short supportive statement, would it be possible to get that by the end of the week?

Thanks!

Subject: Quick Call?

Dr. Wolff,

I hope all is well! I know it has been a few years since we had the chance to work together, but I wanted to check to see if you might have some free time this week or next for a quick call to discuss a couple upcoming projects?

Thanks!
